

The logo for FenTech features the word "FenTech" in a bold, sans-serif font. The letters "F", "e", and "T" are orange, while "n", "e", and "ch" are black. A thick orange line arches over the text, resembling a roofline. The "F" and "T" are partially obscured by this line, which starts above the "F", goes up and over it, then down and over the "T", and finally down and over the "ch".
